WE REALIZE THAT 2009 HAS BEEN A CHALLENGING YEAR FOR MANY OF US. WE ARE HOPEFUL THAT 2010 WILL BE A BETTER YEAR FOR ALL!

## Let fall begin!

We had a nice taste of fall earlier this month and it sounds like more of the same is heading our way. With cooler temperatures brings the arrival of Fall Digging Season. If there is anything you need to complete fall jobs or to stock your yard

for fall sales please let us know!

Many of you are aware that we have had some changes in our staff here at Plant Source. We want to assure you that even though our staff is smaller, we will still strive

to do our best for you and provide you quality plant material at competitive pricing.

In August, Kerri had the chance to attend the Far West Trade Show in Portland. It's amazing how many nurseries there are in the Portland
